Welcome from Community Lay Director

Dear Emmaus Community, What a busy time for all of us at Emmaus! We have walks we are now planning, a picnic coming up, and many Prayer Walks for our schools as the schools begin to open. There are so many ways to be praying for our Emmaus Community and to get involved!

Sandra Stephenson and her committee have been diligently planning our prayer walks. The dates and locations are below. We have secured the blessings of the superintendents and informed law enforcement of what we are doing. Check the schedule below and see where you can lend a hand (two hands to pray!) You will see more about the picnic and the walks as you continue to read this newsletter. May you be blessed during the summer. Please join us for all of these events! DeColores!

From the Community Spiritual Director

As Americans we seem to really get busy in the summer months. Baseball, band camp, and vacations all seem to occupy our time and our minds. It is easy to lose sight of the important things. We see this principle played out in the struggle Martha had with Mary and her lack of concern with serving. Mary decided to stick close to the Lord and listen to His teachings. Martha protested that Mary was not helping. Instead of instructing Mary to help, Jesus told her that there are more important things, spiritual things, that should be at the forefront of our time and our minds (Luke 10:38-24). During these busy summer months let's not lose sight of Jesus and His teachings. Make time to read and study the Bible. Better yet, take time to read and study with your kids, grandkids and others who look to you for spiritual guidance.
