**Plan Ahead. It's not too early to begin thinking about Walk #36.**

As the owner / operator of a small business I always try to give my customers great service. When I have a customer that treats me well by paying their bills promptly and being easy to work with this makes me want to do even better for them. I am able to view customer relations from both sides – as the service provider through my business and as a consumer other times. Because I know how much good customers mean to me I try to do my best to be a good customer for others. There is a business phrase I hear and sometimes use myself that covers this: “For you, we can do that.”

That phrase tells the person that they are appreciated and valued. They are going to receive special treatment and deserve extra action from the service provider. I recently heard this was when I needed service on my work truck and the dealer told me: “For you, I can get you in this afternoon.” I smiled, made the appointment, hung up the phone, and heard the phrase in my head again: “For you, we can do that.”

It took me a moment to realize the voice in my head the second time was not the car dealer’s, it was God, and He meant a lot more than an oil change.

I started thinking about this more and John 3:16 came to mind: “For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.” Then God paraphrased it for me. For you I sent My Son so that when you believe you shall not perish but have eternal life.

This started me studying so next I heard Matthew 16:21: “From that time on Jesus began to explain to his disciples that he must go to Jerusalem and suffer many things at the hands of the elders, the chief priests and the teachers of the law, and that he must be killed and on the third day be raised to life.” This time Jesus paraphrased. For you I went to Jerusalem and suffered, died, and rose again.

More studying brought me to John 14:26: “But the Advocate, the Holy Spirit, whom the Father will send in my name, will teach you all things and will remind you of everything I have said to you.” This time the Holy Spirit paraphrased. For you God sent Me to remind you of all that has been done for you.

God is the ultimate provider and He wants only the best for us. I pray you call on Him whenever you have doubts, needs, or just want to talk to you Father.

For you, He can do that.

De Colores!

Assistant Community Lay Director

Table Of Philip

Fifty-three years ago, President John F. Kennedy spoke these famous words in his 1961 Inaugural Address, "Ask not what your country can do for you—ask what you can do for your country"? I love my country and I am very blessed to be a citizen of the United States of America. I am proud to call myself an American. My country has given more to me than I can possibly ever give back in return. It is my duty to be a good citizen of this great nation; to help it grow and remain strong for the next generation of citizens.

I think about our East Central Indiana Emmaus/Chrysalis Community much in the same way. This community has given much to me; starting with the person that sponsored me on my Walk and all the people that spent hours preparing and serving on the Walk I attended, only so I could experience God's love in an extraordinary way. I love my Emmaus Community and I am thankful to be part of it. I have a responsibility to my Emmaus Community; to help it grow and remain strong for the next generation of pilgrims. I am reminded of another quote, "If not me, then who? if not now, then when? if not here, then where?"
